List of best selling books Wikipedia

This page provides lists of best-selling individual books and book series to date and in any language. "Best selling" refers to the estimated number of copies sold of each book, rather than the number of books printed or currently owned. Comics and textbooks are not included in this list. The books are listed according to the highest sales estimate as reported in reliable, independent sources.

The Good Book A Humanist Bible A C Grayling

Drawn from the wealth of secular literature and philosophy in both Western and Eastern traditions, using the same techniques of editing, redaction, and adaptation that produced the holy books of the Judeo-Christian and Islamic religions, The Good Book consciously takes its design and presentation from the Bible. In its beauty of language and its arrangement into short chapters and verses for
