Guinea Dog Guinea Dog 1 by Patrick Jennings

Guinea Dog is about the theme of a child wanting a dog as a pet and the parent saying NO. I personally have been there and understand the intense desire to get a dog to love and play with. Like Rufus, my dad said absolutely not!

Guinea Dog Book Review and Ratings by Kids DOGObooks

I like Guinea Dog because it's a funny book. Rufus, a boy, wants a dog. His mom bought a guinea pig instead. The guinea pig his mom bought acts like a dog. My favorite part of this book is when the guinea pig chases Rufus all over the playground at his school and his classmates are laughing at Rufus.

GUINEA DOG by Patrick Jennings Kirkus Reviews

Rufus has but one wish a dog. His stay-at-home Dad does not agree. His list of reasons not to get a dog extends over two pages. Rufus's sympathetic mom brings home a guinea pig, which Rufus has expressly said he does not want. To his surprise, though, the guinea pig (which he sullenly names Fido) behaves like a dog!
