Catholic Bibles The NAB RE Notes and Commentary

Yes, I think it is probably time to bring up this issue. I often think that discussions here or at places like the Catholic Answers Forums regarding the NAB(RE) usually descend into debates about the commentary, more so than the translation itself. Of course that is a generalization, but one that I think has some merit to it.

The New International Version NIV A History and Evaluation

Notes. 1. The Introduction of this volume says that the Greek text printed in it was compiled by Edward Goodrick and John Kohlenberger III in connection with their editorial work on the NIV-based Greek-English Concordance to the New Testament (Zondervan, 1997), and that it offers a different reading from the Standard Text [i.e. the current UBS text, 4th edition] at 231 places (p. 10).
