MobileRead Forums

Help us select the book that the New Leaf Book Club will read in February 2019. The theme is Let's Make a Deal: Trade Secrets. Everyone is welcome to join the nomination process even if they'd rather lurk during the voting and discussion; if that is still a little too much commitment, please feel free to suggest titles without making a formal nomination.

Building a copper manifold for your mash lauter tun

I have used it for about four or five brews now. The first time, I learned that I should glue together at least some of the joints when the whole thing fell apart and the sparge stuck like you wouldn't believe.

OOP Concept for Beginners What is Abstraction

Abstraction is one of the key concepts of object-oriented programming (OOP) languages. Its main goal is to handle complexity by hiding unnecessary details from the user. That enables the user to implement more complex logic on top of the provided abstraction without understanding or even thinking about all the hidden complexity.
