Robert C Martin Wikipedia

Robert Cecil Martin, colloquially known as "Uncle Bob", is an American software engineer and instructor. He is best known for promoting several software design principles, and for being one of the authors of the Agile Manifesto. He was also the editor-in-chief of C++ Report magazine and served as the first chairman of the Agile Alliance.. Martin operated the now-defunct company, Object Mentor

Code smell Wikipedia

In computer programming, a code smell is any characteristic in the source code of a program that possibly indicates a deeper problem. Determining what is and is not a code smell is subjective, and varies by language, developer, and development methodology. . The term was popularised by Kent Beck on WardsWiki in the late 1990s. Usage of the term increased after it was featured in the book
