A Few Notes on Nature Spirits Part One Nature as It

If my geckos and fish started talking to me, I d be thrilled. Afraid I had gone insane, but thrilled. I d have to try and test the interaction to see if I was imagining things or not, by seeing if the communication matched the animal s behavior.

List of train songs Wikipedia

A train song is a song referencing passenger or freight railroads. Trains have been a theme in both traditional and popular music since the first half of the 19th century and over the years have appeared in all major musical genres, including folk, blues, country, rock, jazz, world, classical and avant-garde. While the prominence of railroads in the United States has faded in recent decades, the
