(The others are The Making of the President, 1964 (1965), The Making of the President, 1968 (1969), and The Making of the President, 1972 (1973).) The book traces the 1960 campaign from the primaries (in which John F. Kennedy faced Hubert Humphrey and Senator Stuart Symington) to the conclusion of the general election contest against Richard Nixon. Much of the narrative is written in an almost novelistic style, describing politicians' looks, voices and personalities.
