Mind map Wikipedia

A mind map is a diagram used to visually organize information. A mind map is hierarchical and shows relationships among pieces of the whole. It is often created around a single concept, drawn as an image in the center of a blank page, to which associated representations of ideas such as images, words and parts of words are added.

Free The Church The Works of Watchman Nee

I agree with you Darryl. Some of Nee's books have copyrights on them still. The disciples of Witness Lee have a website called, Living Streams Ministries, have most of his works online in HTML format. For the books I have on my website, I copied them from the HTML then cross referenced with my print copies before making them PDF format.
