Turks and Caicos Islands Wikipedia

The Turks and Caicos Islands (/ t r k s / and / k e k s, -k o s, -k s /), or TCI for short, are a British Overseas Territory consisting of the larger Caicos Islands and smaller Turks Islands, two groups of tropical islands in the Lucayan Archipelago of the Atlantic Ocean and northern West Indies. They are known primarily for tourism and as an offshore financial centre.

History of the Turks and Caicos Islands Wikipedia

Before European colonization, the Turks and Caicos Islands were inhabited by Taino and Lucayan peoples. The first recorded European sighting of the islands now known as the Turks and Caicos occurred in 1512. In the subsequent centuries, the islands were claimed by several European powers with the British Empire eventually gaining control. For many years the islands were governed indirectly
