Rethinking the Color Line Readings in Race and Ethnicity

Rethinking the Color Line helps make sense of how race and ethnicity influence aspects of social life in ways that are often made invisible by culture, politics, and economics. The readings reflect a variety of approaches to studying race and ethnicity: a focus on specific minority groups; two or more groups in comparative perspective; and topics that look at the experience of many groups historically and within social institutions.

Rethinking the Color Line Readings in Race and Ethnicity

Rethinking the Color Line: Readings in Race and Ethnicity. This anthology helps students understand race and ethnicity as a social construction and illustrates how these factors are embedded in the institutions that structure their own lives. Nearly 50 readings by established and emerging scholars expose students to the most important theoretical debates.
