Cox surname Wikipedia

The surname Cox is of English or Welsh origin, and may have originated independently in several places in Great Britain, with the variations arriving at a standard spelling only later. There are also two native Irish surnames which were anglicised into Cox. An early record of the surname dates from 1556 with the marriage of Alicea Cox at St. Martin in the Fields, Westminster, London.

Legendary Texans in History Politics Wars Laws Arts

TEXANS Texas without Texans is like Antarctica without penguins - in both cases the landscape would be barren without them. Texans just happen to be a lot more colorful.
