A Brilliant Solution Inventing the American Constitution

A Brilliant Solution: Inventing the American Constitution. Though the American Revolution is widely recognized as our nation's founding story, the years immediately following the war--when our government was a disaster and the country was in a terrible crisis--were in fact the most crucial in establishing the country's independence.

A Brilliant Solution Inventing the American Constitution

In A Brilliant Solution: Inventing the American Constitution, Carol Berkin recalls the period following the end of the Revolutionary War. It was a time where they had a dysfunctional government called the Articles of Confederation. The states had too much power that the country could not function properly.

A Brilliant Solution inventing the American Constitution

Berkin presents the framers of the constitution the fifty-five delegates to the convention as real people, as men of their time, as men of the hierarchical eighteenth century rather than men with twenty-first century sensibilities. They did not discuss any need to end slavery or equality for women.

Chapter Summaries Reflections on A Brilliant Solution

Edmund wanted to send the constitution to the states so they could have their own council and basically repeat the same process. Exhausted from the over extended convention most of the delegates declined the idea. Which lead to Edmund along with George Mason and Elbridge Gerry to not sign the Constitution.
