Doctor Eggman Sonic News Network FANDOM powered by Wikia

One of the concepts for the hero of what eventually would be known as Sonic the Hedgehog. The original English instruction manual for his 1991 debut game Sonic the Hedgehog described the character's full name as "Doctor Ivo Robotnik" while the Japanese version's instruction manual for the same game called him "Doctor Eggman"; "Robotnik" was initially conceived as the western name for the

When Easter and Candy Collide Stuff Christians Like

I think that putting the chocolate cross on the easter card is a way of taking back a little piece of what easter is

really about, Jesus . The easter bunny , santa clause , and others,have taken over so much of the spiritual meaning of Easter and Christmas, that many kids do not even know why we really celebrate these Holidays.

Stellar collision Wikipedia

A stellar collision is the coming together of two stars caused by gravity, gravitational radiation, or other mechanisms not well understood.Astronomers predict that events of this type occur in the globular clusters of our galaxy about once every 10,000 years. On 2 September 2008 scientists first observed a stellar merger in Scorpius (named V1309 Scorpii), though it was not known to be the

Millennials Wikipedia

Neil Howe believes that a defining trait of millennials is that they are more likely to support political correctness than members of older generations. In 2015, a Pew Research study found 40% of millennials in the United States supported government restriction of public speech offensive to minority groups. Support for restricting offensive speech was lower among older generations, with 27% of
