The Hypnotists Book One Kidsreads

Although brief in nature and explanation, I'm hoping that Gordon Korman expands the Hypnotists universe in the next books, as the backstory and bloodline connection with famous people as hypnotists throughout history was fascinating. Plus, I think we've only seen the tip of the iceberg with how hypnotists, especially Jax, struggle to do the right thing when it's simple and easy to get people to do whatever you want them to do.
