

[USER INTERFACE DESIGN BOOK](#)

RELATED BOOK :

User Interface Design for Programmers Avram Joel Spolsky

This book is great! However, it is not quite what I expected, it's better! I expected an elaboration of the Windows User Interface Standards; instead it takes a general design approach to user interfaces like the books on product design in general but specific to the Windows User Interface or windowlike user interfaces.

User Interface Design for Programmers Free Pdf Download

About the e-Book User Interface Design for Programmers Pdf Most programmers' fear of user interface (UI) programming comes from their fear of doing UI design. They think that UI design is like graphic design the mysterious process by which creative, latte-drinking, all-black-wearing people produce cool-looking, artistic pieces.
