The Fisher King by Leonore Fleischer Goodreads

Note: This little romp turned into my crazy musings on cinema and books. Feel free to just trust the rating, and see the movie. The Fisher King is a 1991 adaptation (I think), of the movie with the same name starring Jeff Bridges.

The Fisher King A Novel by Paule Marshall Goodreads

I thought that Fisher King was a decent read. It involved the story of a young boy as he is reintroduced to his family overseas. He learns much about his history and he meets many relatives he has not met before. The book covers a large time period in a short amount of time. I recommend this book only if you are up for a historical non-fiction book.
