## RELATED BOOK :

### **Why Architecture Matters by Paul Goldberger Goodreads**

Community Reviews. Why Architecture Matters is a fantastically written book on appreciating architecture. I was only able to read half a chapter at a time because every paragraph really made you think about what it said. This book made me look at buildings in a whole new way, and not in a super analytical way either.

### **Paul Goldberger Why Architecture Matters**

September 15th, 2010. When we talk about how architecture matters, it is important to understand that the way in which it matters beyond, of course, the obvious fact of shelter is the same way in which any kind of art matters: it makes life better. Now, many of the architectural things we love best, and care for the most,
