The Space Between by Brenna Yovanoff Goodreads

Brenna Yovanoff's The Space Between is the poignant and beautiful tale of a semi-confused and not-like-expected character resulting from the pair of Lucifer and Lilith. The story progresses quickly, the inciting event happening not too far into the book. The writing is gorgeous, as is the norm for a Yovanoff book.

The Space between is filled with exceptional creativity. The sweetness and sensitivity of the love that grows between Daphne and Truman was a delight to read. A fantastic book that just needs a bit more editing to correct the mistakes that are still within it.
