Recommended Bread Making Books BREAD Magazine

Books about bread are a great way to learn from many bakers: You don't really need more than one or two well selected books in your book shelf, but having more gives you a glimpse into how different bakers work. And so, even if every book comes with recipes and formulas that are pretty much the same as in the next book, it's the small touch and all those little personal ways of doing (and explaining) things that make them worth having around.
