All You Need to Know About the Music Business Book by

Piracy is alive and well, hiding under cyber-rocks, and YouTube delivers more audio-only music than all the other sites put together (including the pirate sites), for which the creators are paid very little (we'll talk more about that later). All in all, the industry earnings are almost half of what they were in 2003.

The Music Industry Facts Every Musician Needs to Know

Now, here's a controversial one. There is a big debate going on in the music industry about free music, and some people believe that all music must be free and that the only way to make money is merch and live shows. That's a little extreme. Yes, music sales are decreasing. Yes, free music is widely available.
