Alps Wikipedia

The English word Alps derives from the Latin Alpes (through French). Maurus Servius Honoratus, an ancient commentator of Virgil, says in his commentary (A. X 13) that all high mountains are called Alpes by Celts. The term may be common to Italo-Celtic, because the Celtic languages have terms for high mountains derived from alp.. This may be consistent with the theory that in Greek Alpes is a

Vintage plane crashes in Swiss Alps killing 20 on board

BERLIN (AP) Determining why a vintage plane crashed in the Swiss Alps will be challenging since the 79-year-old aircraft did not have black boxes and was traveling in an area without frequent radar readings when it plunged into a mountain, killing all 20 of the people on board, investigators said Sunday.
