

## **TENT LIFE IN SIBERIA**

## RELATED BOOK :

### **Tent Life in Siberia An Incredible Account of Siberian**

Tent Life in Siberia is a fine travelogue that can hold its own against those of his contemporary, Mark Twain, or fine modern travel writers like Michael Palin. Kennan records his adventures in the bitter cold of Siberia as a representative of an American company building a telegraph line.

### **Tent Life in Siberia An Incredible Account of Siberian**

Tent Life in Siberia is the story of an 1864 expedition to map out the route for a telegraph line across Siberia, connecting America with Europe. The story is told by George Kennon, who with three other Western Union employees, is assigned this seemingly impossible task.

### **Amazon com Tent Life in Siberia 9780898755985 George**

Tent Life in Siberia really gave you the feeling of traveling through the tundra and the steppes and was more of a travelogue. If you enjoy reading about the lives of native people and about the past, then I believe you will enjoy this book.

### **George Kennan explorer Wikipedia**

In his book Tent Life in Siberia, Kennan provided ethnographies, histories and descriptions of many native peoples in Siberia, that are still important for researchers. They include stories about the Koraks (modern spelling: Koryaks), Kamchatdal ( Itelmens ), Chookchees (Chukchis), Yookaghirs (Yukaghirs), Chooances (Chuvans), Yakoots (Yakuts) and Gakouts.

### **Tent Life in Siberia by George Kennan Matt Forney**

Kennan s very voyage and purpose for being in Siberia shows this; as one of the first Americans to explore this part of the world, he brought Western influence to the Koraks, the Kamchatdal and the other peoples of Siberia. The world gets smaller with every passing day. My criticisms of Tent Life in Siberia are two. Firstly, Kennan s penchant for multiple page-spanning paragraphs got tiresome very quickly.
