The Plantagenets She Reads Novels

The Plantagenets by Dan Jones. A factual account of the period, beginning in 1120 with the wreck of the White Ship and the Anarchy, and taking us through the reigns of all of the Plantagenet kings until Richard II was deposed in 1399. This is a fascinating book and Dan Jones lively writing style makes it as much fun to read as fiction.

The Plantagenets Audiobook by Dan Jones Audible com

Without a book like this, the in-depth works keep the reader on the outside. A work like this helps a person to do so much more than tread water; it makes history accessible to everyone. This is not my first dip into the Plantagenet history, but it is the first time I've had it delivered cohesively and linearly.
