Playful Parenting by Lawrence J Cohen Goodreads

While this book did help me think about more playful ways to communicate with my children, I wished it were organized differently. The author talks about the "Playful Parenting method" a lot but doesn't really ever articulate exactly what it is. He just says that it is "this philosophy" or "that philosophy."

Book Review Playful Parenting by Lawrence J Cohen

I promised a few book reviews as part of my Carnival of Play. This is one I've been wanting to review for a long time. Overview Playful Parenting by Lawrence J. Cohen explains to parents that play is a child's way of communicating and understanding their environment. Children use play to explore the world, communicate deep feelings, get close to people that they care about, work through
