BRADLEY Eyewash Faucet Mount Pull Handle Assembled No

Rated 4 out of 5 by LabSafetyUHCL from I like these eyewashes and at the time I bought them in 2011 they were the best price as well. They work great. One thing I will say is that the diverters tend to need replaced periodically. I had about 40 installed in labs in 2011, and at least a half dozen of them have needed diverters replaced, which is half the cost of the unit.
