Review The Wealthy Barber The Simple Dollar

The Wealthy Barber has an almost unique premise among the top personal finance books: it is written in the style of a novel in which a group of siblings visits the barber in their hometown because they ve heard that he has somehow become quite wealthy and they want to know how he did it on a barber s salary. The story itself is a bit on the thin side, but it provides a readable overlay to the personal finance advice that the barber lays out.

Book Review The Wealthy Barber Returns

In The Wealthy Barber Returns, David takes on the newfound addiction to debt that society has embraced since he released his best-seller. A large part of the book is spent rightly reminding people how toxic debt can be to financial planning, as well as asking how much stuff people actually need.
