The Jack Vance Treasury by Jack Vance Goodreads

The Jack Vance Treasury is a collection of eight shorter works that includes one novella, four novelettes and three short stories. I am rating this one a 5 because it is one of the finest Vance collections ever issued and includes two of Vance's shorter work masterpieces.

With Tales of the Dying Earth, Vance made me realize that the two could, in a way, work together, and I had to hunt down more examples. I found them, plus so much more, in THE JACK VANCE TREASURY, a hardcover collection packed full of novellas and short stories.
