### **March Story Vol 4 March Story 4 by Kim Hyung Min**

With absolutely gorgeous, over-the-top eye-popping art, this volume in the series just cannot be missed. Warn 4.5/5 stars! I'm a volume behind (I still have to read volume 3), but the great thing about "March Story" as a series is that for the most part, one can dive right in at any time in any volume and still manage to understand what's going on.

### **March Story Vol 5 by Kim Hyung Min Goodreads**

Shelves: complete-manga-series, march-story, manga Rated mature for excessive violence, occasional nudity, and blood but boy oh boy is the artwork beautiful. The last volume in a story line I felt could have easily been a long term story line if they really wanted to do so.
