Gone Baby Gone A Novel Patrick Kenzie and Angela

Those who have seen the movie "Gone Baby Gone" that s based on this book will notice that the novel is richer and more detailed than the film. Although the movie retains the same plot structure and many of the characters are the same, it does alter many characters and plot points for the sake of simplifying the story for the screen.

Gone Baby Gone Kenzie Gennaro 4 by Dennis Lehane

In Gone, Baby, Gone you really get a taste of darkness and an overdose of evil. I finished the book a couple of weeks ago, but this was a book that actually was so awful to read, the first Lehane book I had to read in phases, not right through because it was sometimes too awful to read. I also waited a while to write the review.
