Five Best Container Gardening and Small Space Gardening

Even Bountiful Container can't show you how to grow corn or pumpkins in a container, but it does explain how to grow tomatoes, peppers, potatoes, beans, peas, herbs, edible flowers, and even a variety of fruits, including apples, peaches, and Meyer lemons. Like most gardening books, Bountiful Container comes complete with tasty recipes. It also has ideas for using the same containers to grow different crops in the spring, summer, and fall for maximum harvests with minimum space.

Container Gardening for Dummies book by Bill Marken

As container gardening is quite different than planting in the ground, I found this book VERY useful and different from all the other normal gardening books. I am a beginner, but love to research stuff to death and I find this book does give you a very good foundation to get started and do well.
