

[BOOK ON JAVA](#)

RELATED BOOK :

Blue Pelican Java Free Java book Java textbook

One of the primary goals of this Java book is to prepare students for the AP test. Another is to prepare for competition and in the process, learn Java. Over the years, I have seen such competition make a significant difference in the lives of many students. If a teacher is not gentle in this approach to competition you can easily "burn-out" students. especially if you continually bombard
