List of national parks of the United States Wikipedia

The United States has 60 protected areas known as national parks that are operated by the National Park Service, an agency of the Department of the Interior. National parks must be established by an act of the United States Congress. A bill creating the first national park, Yellowstone, was signed into law by President Ulysses S. Grant in 1872, followed by Mackinac National Park in 1875

List of National Parks of Canada Wikipedia

National Marine Conservation Areas. National Marine Conservation Areas (NMCAs) are a relatively new invention in the park system. The goal of the NMCA system is to preserve areas representing Canada's 29 marine regions as identified by Parks Canada. They are designed for sustainable use, although they usually also contain areas designed to protect ecological integrity.
