The City of Ember Book Review Common Sense Media

Ember is a city in eternal darkness, only kept light by its increasingly unreliable electric system. Other systems are falling apart as well, and stockpiles of food and essentials that have lasted hundreds of years are running out. The city was only meant to last 220 years, and now it has been 241.

The City of Ember Book of Ember 1 by Jeanne DuPrau

The City of Ember (Book of Ember #1) Many hundreds of years ago, the city of Ember was created by the Builders to contain everything needed for human survival. It worked but now the storerooms are almost out of food, crops are blighted, corruption is spreading through the city and worst of all the lights are failing.

The City of Ember Summary Shmoop

Meanwhile Doon, down in the Pipeworks, learns that the generator which powers the city is slowly degrading, and no one knows how to fix it. This stuff is a big deal because Ember is surrounded by darkness, and there's no way out of the city nowhere to go if the lights fail or the food runs out. Yeah, this is not good.
