## RELATED BOOK :

### **The Spectacular Now by Tim Tharp Goodreads**

The Spectacular Now is a strange sort of book. I want to lecture it, to give it my own personal big-sister talking to. In some ways I wanted to hate it because the way it almost glorified teenage drinking and partying. But I can't. Because even if I don't agree with Sutter's methods, he feels like a real believable teenager.

### **Amazon com The Spectacular Now 9780385754309 Tim Tharp**

The Spectacular Now IS different from many YA realistic fiction novels, and in that way it is certainly memorable. It's just a rather big issue for me that it was memorable for all the wrong reasons.

### **The Spectacular Now Summary Shmoop**

But Aimee doesn't count on Sutter's spectacular (sorry) ability to self-destruct. She convinces him to visit his long-absent dad, whose example provides Sutter with a horrific vision into the future: growing up to become a drunken, depressed slacker.

### **The Spectacular Now Book Review Common Sense Media**

The Spectacular Now is a very sophisticated story, but could lead to some interesting discussions about what behaviors we celebrate in high school culture, what makes someone an alcoholic, and even how we are supposed to feel about Sutter, a likable but misguided character who spends most of his life drunk.

### **The Spectacular Now by Tim Tharp Paperback Barnes Noble**

Unlike most high school seniors, Sutter Keely-the narrator of this smart, superbly written novel-is not concerned with the future. He's the life of the party, and he's interested in the "Spectacular Now."
