Eyes of the Heart Photography as a Christian

Eyes of the Heart: Photography as a Christian Contemplative Practice, Christine Valters Paintner's latest book, is moving, helpful, challenging and inspiring. Which is not surprising, given Christine's record of turning out such books (two of my favorites are The Artist's Rule: Nurturing Your Creative Soul with Monastic Wisdom and Awakening the Creative Spirit: Bringing the Arts to Spiritual Direction).

The Eyes of the Heart by Richard A Hackett Jr

Disclaimer: I received The Eyes of the Heart as a free download from Amazon.com, which the author alerted me to when it occurred. I enjoyed the writing style, which was very engaging. The plot was also intriguing. I also enjoyed having the protagonist be a non-Christian, and seeing his reactions to various Christian trappings.
