One Simple Way to Help Teens Mature in the 21st Century

I marvel when I watch a college freshman quarterback play well under the pressure of TV cameras and 90,000 fans watching in person. My goodness, the poor guy is still a teenager. We've all seen the opposite, however, where a young athlete crumbles under the pressure of a close game in the fourth quarter. While this might be disappointing, it seems only natural for a teen.

Parenting styles Wikipedia

According to a literature review by Christopher Spera (2005), Darling and Steinberg (1993) suggest that it is important to better understand the differences between parenting styles and parenting practices: "Parenting practices are defined as specific behaviors that parents use to socialize their children", while parenting style is "the emotional climate in which parents raise their children".
