### **Amazon.com Customer reviews The New Essential Guide to**

It's been a while since I've enjoyed a Star Wars New Essential Guide. I find the new ones too disorganized and too packed with information. I much prefer the format of the older guides, such as this Guide to Aliens. The guide is neatly organized alphabetically with two sections, one for major aliens and another for minor aliens.

### **Star Wars The New Essential Guide to Alien Species**

This guide book is a description of the alien species found in the Star Wars. Generally each species gets two pages. On the left hand side will be a drawing illustrating a representative of the species. On the right is a description of the species, their home habitat, and other pertinent information about them.
