Truck wages Wikipedia

Truck wages are any arrangement under which wages are paid in the form of: payment in kind (i.e. commodities, including goods and/or services); credit with retailers or; a money substitute, such as scrip, chits, vouchers or tokens, rather than with conventional money. Truck, in this context, is an archaic English language word meaning "exchange" or "barter" (and is derived from the French

8 Facts About the Truck Driver Way of Life

Kim Evans. There are select occupations you ought to first discuss with loved ones before even considering applying for a job in the field. Truck driving is one such occupation.. In many ways, being an OTR (over-the-road) or CDL driver is more a lifestyle than a job. Its demands, particularly upward of 300 days per year on the road, will certainly limit what time you spend at home, thus
