Industrial and Warehouse Background Buildings

A simple sky blue backdrop changes the whole look of your model railroad. It makes your railroad immediately appear more realistic and expansive. Although it's fairly easy to paint hills and general landforms on the

backdrop, buildings are a lot harder to paint. One easy solution is to print photographs of appropriate buildings in the right size, cut them out along the edge of the building

Gateway Central Project Railroads Small Model Railroads

For over a decade, the Gateway Division has constructed small model train layouts for display and demonstrations at local train shows. One of our exciting projects was the construction of a custom 4 x8 model railroad for the Missouri History Museum. This layout was displayed in their exhibit, Our World in Miniature during the Winter of 2003.
