The Book of Ingredients Mermaid Books by Adrian Bailey

The book covers a wide and interesting array of ingredients, fish and meat being particularly good sections. However the book could do with being updated with more middle-eastern and far-eastern ingredients, and the picture quality is poor.

5 Ingredients Quick Easy Food by Jamie Oliver

For me personally, I like the Superfood books the best, but for an alrounder that has appeal to all walks of life, 5 Ingredients is a cracker. Just the layout alone is enough to get 4 stars; for its simplicity and its accessibility.
