Obituary Wikipedia

An obituary (obit for short) is a news article that reports the recent death of a person, typically along with an account of the person's life and information about the upcoming funeral. In large cities and larger newspapers, obituaries are written only for people considered significant. In local newspapers, an obituary may be published for any local resident upon death.

Death by natural causes Wikipedia

A death by natural causes, as recorded by coroners and on death certificates and associated documents, is the end result of an illness or an internal malfunction of the body not directly caused by external forces, typically due to old age. This is especially true when an elderly person has several different conditions or diseases, but where it appears that none of them alone or together may

Survivors of Suicide

Time heals all wounds is not necessarily true for survivors of suicide. Time is necessary for healing, but time is not enough. Shared feelings enrich and lead to growth and healing. The grief of suicide survivors is unique.

Grief following a suicide is always complex. The death of someone to suicide is a shattering experience.

Survivors of suicide don't just get over it.
