Engaging 5th Grade Summer Reading Book List

This 5th grade summer reading list was fun to put together. Middle grade books are my favorite kind of books to read these days and these titles are appropriate for kids ages 8 -12, so they aren't just for 5th graders, just as last year's 4th grade summer reading list was not just for 4th graders.. It is so HARD to believe my son is getting ready to be a 5th grader!
