Vampires Super wiki

History. The Alpha Vampire was the very first vampire and has a psychic connection with other vampires, whom he deems his "children." By the year 2006, vampires had been hunted so intensively and become so rare that John Winchester had thought they were extinct. But in the year 2011, as directed by Eve, the Alpha Vampire uses his psychic connection to encourage vampires to focus on increasing

Vampire folklore by region Wikipedia

Legends of vampires have existed for millennia; cultures such as the Mesopotamians, Hebrews, ancient Greeks, and Romans had tales of demonic entities and blood-drinking spirits which are considered precursors to modern vampires. Despite the occurrence of vampire-like creatures in these ancient civilizations, the folklore for the entity we know today as the vampire originates almost exclusively
