Kilo Class book by Patrick Robinson Thriftbooks

Patrick Robinson has done it again. Nimitz Class was an on your seat adventure through the Politics of the US Armed Forces, but Kilo Class offers more action/adventure! The sure class of the detail in the chapters with the SEALs destroying the 3 kilos were outstanding. The degree of knowledge Robinson has for America's Military is unbelievable.

Patrick Robinson is a very good writer when it come to military/war stories. Except for a small portion of the book when he dwells on the personal life of one of the characters for too many pages, this is a very exciting book about black ops. The U.S. wants to destroy 10 diesel class/kilos submarines that china bought from russia.
