How to Make a Wooden Canoe Paddle Primitive Ways

by Bob Gillis . This canoe paddle was first carved as a model from a section of a willow branch and then an actual full size paddle was created from a 2" by 6" redwood board.

How to Carve a Canoe Paddle in Your Spare Time

What was left of that 2 8 looked pretty funky when I held it up, but there was definitely a paddle in that piece of redwood. I wanted to put a little bend in the design, so the blade would be vertical in the water right at the middle of the power stroke.

Canoeing Wikipedia

Canoeing is an activity which involves paddling a canoe with a single-bladed paddle. Common meanings of the term are limited to when the canoeing is the central purpose of the activity. Broader meanings include when it is combined with other activities such as canoe camping, or where canoeing is merely a transportation method used to accomplish other activities.
