How Not to Kill Your Baby by Jacob Sager Weinstein

How Not to Kill Your Baby isn't a parenting book; it's a parody of the parenting books we all read that gave us important and serious advice like: never put your child in a stroller lest he not learn to walk, cement all your bookshelves to the wall, and train your baby to go to sleep on her own because otherwise you'll need to show up every night at her college dorm to rock her to sleep.
