Deliver Us from Evil Shaw Series 2 by David Baldacci

"Deliver Us From Evil" doesn't disappoint, the author does know how to take a detour from the main plot and convert it to one exciting and dangerous human hunt. I like the beginning of the story, and I have to say that the ending doesn't fall short either. The characters are well developed through the entire book.

Deliver Us from Evil by Robin Carroll Goodreads

Deliver us from Evil, by Robin Carroll is a fun and suspenseful, if a bit off (in terms of strange coincidence) ride. It is of the same type of romantic suspense book with a Christian message that anyone who has read the books of Dee Henderson, particularly her *O Malley Chronicles* will recognize quickly.
