Get rich quick scheme Wikipedia

A get-rich-quick scheme is a plan to obtain high rates of return for a small investment. The term "get rich quick" has been used to describe shady investments since at least the early 1900s. Most schemes create an impression that participants can obtain this high rate of return with little risk, and with little skill, effort, or time. Get rich quick schemes often assert that wealth can be

The habits of the wealthy What rich Get Rich Slowly

I'm fascinated by the differences between rich people and poor people. Are the differences mostly a matter of class and economic mobility? Are people born to wealth and poverty and destined to remain there? Or are there observable differences in attitude and action that tend to lead people to specific levels of affluence? From my experience, it's some of both.
