Effective Leaders What Makes a Good Leader

Define Leadership: Some of the Qualities of a Leader. In most businesses, it would be good to have a mix of effective leaders and managers (and of course staff who would be led and managed). In a small business with staff, you probably need a team with about 20% leadership talent and the rest in management skills. You likely do not want too many leaders and not enough managers and followers.

What Is an Effective Leader

The Five Rules of Leadership. Effective leaders cannot be reduced to what they know or what they do. Who they are as human beings has everything to do with how much they can accomplish with and through other people. Leaders are learners: from success, failure, assignments, books, classes, people, and life itself.
