RELATED BOOK :

Flash Fiction 72 Very Short Stories Tom Hazuka Denise

This book was copyrighted in 1992, so it's not the most modern look at flash fiction out there. Still, it's got some solid examples of the genre and is enough to make anyone start thinking or even look at the world around them every so slightly differently.

Popular Flash Fiction Books Goodreads

The usual short story cannot have a complex plot, but it often has a simple one resembling a chain with two or three links. The short short, however, doesn't as a rule have even that much - you don't speak of a chain when there's only one link.

Flash Fiction Books

Flash fiction is a style of fictional literature or fiction of extreme brevity. There is no widely accepted definition of the length of the category. Some self-described markets for flash fiction impose caps as low as three hundred words, while others consider stories as long as a thousand words to be flash fiction.
